## CODE OF CONDUCT

### Shropshire County Age Groups 2025

#### CODE OF CONDUCT

##### Shropshire County Age Groups 2025

It is expected that all Swimmers, Coaches, Team Managers, Officials, Volunteers and Parents, when attending the event shall:

1. Comply with the Codes, Rules, and Laws within the guidelines set out by Swim England (Wavepower) and World Aquatics.
2. Behave without discrimination on the grounds of race, colour, language, religion, birth or social status as set out in Swim England's equal opportunities policy.
3. Respect the basic human rights, worth and dignity of each member present and treat everyone with respect.
4. Not encourage anyone to violate the rules of the sport.
5. Observe the authority and the decisions of all Officials, Volunteers and Coaches.
6. Encourage all swimmers to obey the spirit of the rules and laws both in and out of the pool.
7. No phones will be allowed in the changing rooms at any time, they should remain in your bags. The taking of photographs in the changing area is a criminal offence.
8. Anyone caught using their phones in the changing areas may be subject to Police investigation and / or expulsion from the event.
9. No photography is allowed in the Pool Hall, this is a Venue directive, which includes GCSE or A Level filming.
10. Breaches of this Code of Conduct shall be dealt with in the first instance by the Lead Referee, Promoter and / or Team Manager / Coaches.
11. No parents/spectators/officials/volunteers/coaches or Team Managers are allowed in the changing rooms. This is for swimmers only.

## WE NEED YOU

All Clubs and Counties need Technical Officials to run and attend any gala.

It needs a vast army of Volunteers to become qualified. Naturally there are gains and losses as swimmers come and go but since Covid the number of Officials has dropped so much that all galas struggle to meet minimum requirements.

Events are at risk of not being able to go ahead and Clubs are at risk of not being allowed entry without sending officials.

We are asking all of our swimming family to consider volunteering to help your Club and County and join us to provide high quality competition for your swimmers.

You don't need to know anything about swimming, you will learn this along the way.

There is no need to commit to every event and the more Officials each club has the more the onus is shared around.

It's also not as difficult or as stressful as you imagine, there's plenty of experience around to support you on this journey.

The bonuses are that the club will pay course fees, you get free entry into galas, you will be provided with refreshments and sometimes a gift for giving up your time.

We always make sure you get chance to see your own child swim.

Please go to this link to sign up now, <https://www.swimming.org/ios/course/3143>

Let your club know you are doing it and email Stu Highfield on [shropshireasa@aol.com](mailto:shropshireasa@aol.com), our County Coordinator so that he can monitor the support you need.

We also need an army of **EVENT TEAM VOLUNTEERS** to make any event run smoothly. No experience or qualification is necessary - just a willingness to get stuck in. It's a great opportunity to help your club support and attend events but without these volunteers these events are at risk.

If you would like to join our 'Blue' Team, please talk to Leanne Wells our Volunteer Coordinator, [leannewells@hotmail.co.uk](mailto:leannewells@hotmail.co.uk) for more information of roles and duties. You would never be thrown in the deep end on your own as you will get plenty of support. You will meet other volunteers and officials from across all clubs which is great for you, your swimmer and your club.

## Welcome from the Swim England Shropshire President

Welcome to the 2025 Shropshire County Championships, congratulations to all who have qualified for this year's event.

This is my first county championships as President having been elected in to the role at the AGM in November, but I have been part of Shropshire swimming first as a swim parent and then committee member since 2009.

During the past twelve months I have had the opportunity to watch Shropshire swimmers excel and enjoy competing at school, county, regional and national events as well as the combined regional open water event, Masters events, Olympic trials and watching our Shropshire Olympian Ollie Morgan swimming in Paris at the 2024 Olympic Games.

In 2025 it would be nice to be able to support any Shropshire swimmers and watch some diving, water polo and artistic swimming, if anyone is competing please let me know.

As part of the team that organises both County and Regional swimming events it has been a pleasure working alongside Shropshire coaches, team managers, volunteers and officials who give up large amounts of time to support our swimmers. Thank you to them all.

It has been nice to see clubs and officials from throughout the county support each other in club championships and time trials again this year.

We welcome our 10<sup>th</sup> club back into the County this year and look forward to the new pool at Whitchurch being ready in the spring in the hope that we can be back up to the 11 clubs providing opportunities for a larger area of the county.

Our younger swimmers have been invited to take part in the County Development programme during which they have enjoyed training in the pool, land training and a nutrition talk. They were joined this year by the intercounty team who were able to have a training session together before the intercounty championships in October.

Shropshire have had a Swim England national award winner in Nicola Bainbridge recognised for her hard work as Educator of the year, for her coaching and teaching courses.

We are very fortunate as a County to have a small number of volunteers whose children no longer swim within the county, especially officials, who give up a large amount of their free time attending meetings, courses, events and training new officials without whom none of these events could take place, I would like to thank their continued hard work.

We are always looking for new officials and volunteers to join the Shropshire team please consider giving up some time to support your swimmers, you will receive some incredible support along your journey.

I am looking forward to watching the swimmers over the next three weekends and seeing where the swimming season takes them this year.

Maria Neeld  
Shropshire ASA President

## Shropshire Chairperson's Report

We started 2024 with the County Age Group Championships over 5 days during January/February at Wolverhampton. This was a great start to the new year, and we had a very busy 5 days with many PB's, and regionals QT's. Our thanks to the Event Team, Volunteers and Officials for giving up their time to make this event run smoothly. We cannot do this without all their support.

March saw the second Development Camp taking place at Thomas Telford School, it was a very successful day. Thanks goes to Emma Scott-Gemmill for doing all the organising for this event, and to the Head Coach Bev, and the Skills Coaches who took part. The next Camp took place September with the new cohort of swimmers and picking up the reins as Head coach was Nicki Bainbridge. The Inter-county team were incorporated into the day too, maximising swimmers opportunities for both dry-side & poolside training. All our volunteers including Team Managers and Safeguarding Leads had a very busy day. Thanks to Thomas Telford School for allowing us the use of the Pool and Hall.

We saw several swimmers representing Shropshire at the Regional Open Water Championships at Cirencester, some qualified to go on and swim at the SE National Open Water Champs. We also had several volunteers from Shropshire helping on the day.

Shropshire Summer Championships took place in June and was well supported. It was reduced to one day from the original two days, due to clashes with other meets.

There were a number of Shropshire clubs at Sandwell for the WM Regionals, congratulations to all those who made finals and British & National Qualifying times. A number of Shropshire swimmers were selected for the WM Regional Pathways and to Akaash who was selected for the National Youth Development Programme. Congratulations to those Shropshire swimmers who made it onto the podium at the Home Nation Nationals.

On the officials front, we have been busy in mentoring and training new J1 & J2 trainees, and a number have now been signed off. Congratulations go our two new referees who passed their Referees Theory Exam & Practicals. So, we now have two more qualified Referees in the County, bringing our number up to 7.

Club Champs started in July and ran all the way through to December. Better communication is leading to better collaboration amongst clubs & officials which all lends itself to more racing opportunities for Shropshire swimmers – well done.

Whitchurch Swimming Pool construction is underway, the new facility will offer a six-lane 25m pool which hopefully will be completed by Easter 2025. Also the ASA have been working hard with Shropshire County Council for a competition standard pool at Shrewsbury Sports Village on Sundorne Road, the project is currently in the design & planning phase.

One of the highlights of our calendar year is the Inter-County Teams Championships at Sheffield. Shropshire competed in Division 2, and with very tough competition, we did manage to hold our own in several events. Well done to all the swimmers who took part, and to the Head Coach Nicki Bainbridge, and her team, and to the officials who took part. Also not to be forgotten are the Team Managers and Safeguarding Lead. Thanks to the two team captains James & Beth who got dressed up for the county procession.

Finishing off our year was the Inter-County Masters Championships that took place at Sandwell Aquatics Centre on Sunday 10th November. A big thank you to all the Shropshire Masters who agreed to swim for us, some with arms twisted, but on the day the joy and laughter from the team was a sight to behold. Big thanks to Mandy for putting the team together and for the Team Manager on the day Sonia. It was one of our biggest teams yet, and hopefully we may get a bigger team next year for Derby. Big thank you to all the Shropshire Officials who turned up to help.

With the changes to Swim England's requirements for Welfare Officer's Jean has stepped down from the role of Chair, having held this post since 2000 (we think), I would like to on behalf of everyone on the committee, all Shropshire Clubs & their members, officials, volunteers, parents, Open Water community and beyond for Jean's knowledge, support and commitment to swimming.

Thank you to all the club representatives for supporting Shropshire, your attendance, suggestions and ideas really help in providing amateur swimming across the county. Looking forward to celebrating 2025 – our 60th year!

## Development Camp 2024 -2025

In line with Swim England Development Swimming Pathway, Shropshire ASA ran a County Development Programme. To qualify for the County Development Programme, swimmers are selected from their 200IM performances within the last 6 months, with a maximum of 36 swimmers spread between boys and girls. Taking this into account, and times achieved a selection was made and invites delivered.

This year there were 2 Development days, both being run at Thomas Telford School, Telford (the second one is due on 8<sup>th</sup> March 2025). The idea of the sessions are to develop swimmers skill levels not to race or work on endurance. This was achieved by appointing skills coaches from a variety of Clubs within the region. The Development camps are designed not only to support the swimmers but also develop coaches.

The day involved two 2 hour session in the water working on technique. The skills coaches work at the pace of the swimmers, building up the strokes from push and glide through to hand entry and exit to breathing. The idea is to remind or teach the swimmers these basic skills for them to take forward.

For the first session we had coaches from Oswestry, Shrewsbury, Newport and Telford Aqua with a variety of experiences and knowledge, and all were excited and enthusiastic and willing to support each other and develop the swimmers.

On the swimmer front we looked at the swimmers that had competed in the 200IM over the first 6 months, and then used that alongside County Qualifying times to select the first group. Over 30 swimmers were selected from all over the region with most Clubs represented. Not bad considering the first session fell on the first round on the Diddy League.

The day started by a quick programme overview to the parents and then they were free to have a relaxing day. Swimmers were introduced to the skills coaches and Team Managers and they went straight into pre pool warm up. Getting in the water is the aim of the day, working with new swimmers and coaches can be quite daunting but having no more than 6 in a lane enabled the swimmers to realise racing is not the aim of the day. Nerves are quickly shaken off, and during the lunch break the swimmers were chatting like lifelong friends. This year we were able to arrange for land training to be offered and to assist swimmers in preparation for training and galas a nutritional discussion was given. The whole day went quickly, with both coaches and swimmers learning off each other. Being in small groups enables focused training which supports all.

The next session is on the 8<sup>th</sup> March, where swimmers will work on more technique.

These days are busy and deceptively tiring, however, the swimmers train with new swimmers from around the County Clubs, and work with new coaches. This helps build up friendships and I have seen these swimmers chat to each other at galas they have competed in throughout the year.

I would like to thank the skills coaches, team managers, welfare and programme coach for their time and commitment towards the programme.

## County Development Programme 2025

Swim England Talent Team are moving forward with their changes for the Development Programme

We are changing to a seasonal rather than annual Programme; from September 2025 through to Aug 2026 we will have:

- 1 x Face 2 Face session (Sept - Dec) currently booked for September
- 1 x Face 2 Face session. (Mar – May)

Commitment to ALL sessions is a requirement and swimmers must be engaged in the whole Programme. The intent is to select from peak performance achieved by the end of the season in August.

The Development Programme looks at swimmers who will be 12 by the end of 2025:

- Technical skills - stroke technique, starts & turns and speed and stamina
- Tactical – race processes
- Physical – Awareness of Pre & Post pool stretching, land training etc...
- Psychological – mental skills & goal processing
- Lifestyle – importance of good nutrition
- Behaviour – Understand OADF – enjoys the journey and is a good learner.

There will be a Parents Zoom cast available that can be downloaded to give more information.

Following on from the County Programme the Region looks at providing a Programme for 13 yr olds following a similar pathway and criteria. It obviously gets a little more difficult to get selected for this Programme.

The Development Programme offers opportunities for Club coaches to get involved as Skills Coaches, though you will need to have a Level 1 qualification to take part and would be working under a Lead Coach responsible for up to 6 swimmers.

You would be involved in the delivery of the Programme and coaching the swimmers at the Face 2 Face camp. Giving you opportunities to work closely with other coaches to share tips and ideas.

Nicola Bainbridge will continue as the lead coach for the Shropshire Development Programme.

Any coach interested in being involved please contact me via email [emmascottgemmill@sky.com](mailto:emmascottgemmill@sky.com)

## Shropshire Schools Swimming Report 2024

### Shropshire Secondary Schools' Championships Thomas Telford School 16<sup>th</sup> May

29 schools entered last year but only 23 this year. As a consequence, the number of entries were down too.

There were many exciting races and close finishes as is usual in this competition.

Three records were broken and this resulted in the Peter Cates Best Boys Performance being won by Akkaash Hayden Das, Oswestry School. Akaash broke 2 records, beating his own record he set last year in the 100m Backstroke in 1.13.73 and a longstanding record from 2010 in the Inter Boys 100m Freestyle record in a time of 1.10.68.

Peter Cates Best Girl's Performance was won by Beth Barrett, Wrekin College. Competing in the Intermediate Girls 100m Free, Beth beat the previous record in a time of 59.69.

### Shropshire Primary School's Championships Quarry Pool, Shrewsbury 27<sup>th</sup> June

We were down to 4 areas this year. I stood down as the organiser of North Shropshire East last year after 27 years and despite my best efforts I could not find any teacher/ volunteer who would take the job on. It was pleasing that the gentleman who took on Shrewsbury area last year ran the Shrewsbury selection gala again. Unfortunately, we could find a volunteer for the Ludlow area team so again they were not present. Hopefully, it looks promising that we may have someone to organise the area team next

The other areas were well represented and as usual the competition was fierce. Telford area won the trophy for the highest points scored.

### Inter Divisional Championships Coventry 9<sup>th</sup>/10<sup>th</sup> March

Para events were included in the ESSA Inter-Divisional Championships at Coventry on the 9<sup>th</sup>/10<sup>th</sup> March.

Akaash Hayden Das, Oswestry School, competed in 2 events, the Inter Boys 100m Back and Individual Medley winning the Backstroke in 1.15.95 and the I.M. in 2.13.98 gaining valuable points for the team.

West Midland District came 4<sup>th</sup> out of eight teams.

Mrs Chris Murphy accompanied the team as one of the Team Managers.

## Open Water

The Open Water season is a very short one, and in 2024 we had our regional championships again at Cirencester on Sunday 23rd June. It was full on with a very high number of swimmers taking part. A very long day, as with 3 regions taking part, it necessitated having most of the events with a high number of waves for safety reasons. Many thanks must go to the Shropshire volunteers and officials who attended the day. The event would not have gone ahead without your help.

The WMR are looking to possibly do the event in 2025 with just the West and East Midlands, if a suitable venue can be found. This is being looked at and hopefully early in 2025 the final decision and date of the regional OW champs will be announced.

With the success of some of the Shropshire swimmers, some attended the National OW Champs at Rother Valley, Rotherham on Saturday 27th July. A very full-on day and all Shropshire swimmers doing very well.

## Masters Swimming in Shropshire

It was decided not to hold a County Masters Champs in 2024 mainly because we did not receive a good turnout previously. This is reviewed each year and there is always a possibility that we might bring it back into the competition programme.

On the 30<sup>th</sup> March the West Midland region put on a regional Masters championships which was a very well supported. Several Shropshire Masters swimmers took part, which was very pleasing to see. The 2025 WMR Masters championships will take place on Saturday 8th March. We are hoping that Shropshire will be represented again with more Masters swimmers coming forward to enter.

On Sunday 10th November Shropshire put a Masters team in the National Inter-County Masters Championships, which was held at Sandwell Aquatics Centre. With some arm twisting, we managed to put out a good team, although not all age groups were covered. It was one of the best teams we have ever put together. There were plenty of young swimmers attending which we hope will continue into 2025. Thanks go to Mandy G for pushing people to enter and putting together the team sheet. Thanks to Sonia for Team Managing on the day, we appreciate Sonia's help. It was a fast and furious gala, and some very exciting swimming. We were privileged to have Oliver Morgan representing Shropshire, and he performed very well.

## Disability Swimming in Shropshire

During the 23/24 season, Shropshire ASA's desire to positively support para-swimming continued to show results: encouraging its embedding into mainstream club & competition environments, placing athletes onto National teams:

Within the County there are 7 Classified swimmers currently who complete at a range of different levels. During the year swimmers have competed at the following:

### November 2023

Downs Swimming National Championships, K2 – 4 athletes

### January 2024

West Midlands Para training, Rugby – 2 athletes, along with Nicola Bainbridge as one of the Midlands Para Coaches for 2023 and James Bainbridge as TM.

### April 2024

British Championships, London – 1 athlete

### June 2024

National Junior Para Championships – 2 athletes

### July 2024

British Summer Championships – 1 athlete

### August 2024

Swim England Summer meet – 1 athlete

During this season Akaash Das was also selected for the National Youth Development Programme.

Although the number of para-swimmers is small, their impact at all levels is fantastic to see, and I encourage all County clubs to consider how they might help increase para outreach and participation numbers. Doing so enriches everyone's experience of our fabulous sport through wider access and inclusivity, as well as underpinning on our desire to improve the health & wellbeing of our communities and encourage lifelong participation.

**Wrekin College:** Esmay Jones, Oliver Birtwistle, Beth Barrett

On Sunday 6<sup>th</sup> October 2024 the Shropshire County Team had an early start with the coach leaving Oswestry at 6.15am. A Team of 24 excited swimmers were selected as part of Team Shropshire for the National Inter-County Team Championships for 2024.

James Frost and Beth Barrett were selected as the Shropshire County representatives for the opening ceremony parade opening the event.

This is always a challenging event for the County swimmers; however, they did not disappoint in their attitude, behaviour, outstanding team spirit and support for each other during the event. They demonstrated great resilience in a tough competition, as well as a number of swimmers being happy to step up and race at the last minute; a special acknowledgement to Rory Yarnley, Noah Das, and Lewis Bebb.

The atmosphere of the event was incredible, a real celebration of the sport at the highest domestic level. Everyone involved revelled in the experience and opportunity to be involved in the day.

This was an outstanding event for the team and demonstrated real depth of character throughout the event.

## Club reports for 2024

### Ellesmere College Swimming Academy

The last 12 months has certainly showcased our desire to continue to build and progress every year as a programme. Our ECSA student-athletes have once again grown and developed both in and out of the pool over the past academic year. As always it is fantastic to see our members combine their sporting achievements with academic success to achieve in all facets of Ellesmere College life.

#### National Talent Pathway Selections

James – Swim Wales Elite Transition Squad

Millie – Swim England Event Gap Programme – Backstroke

Esmee – Swim England National Age Group Development Programme

#### Training Camp Triumph

In February 2024, the ECSA would go on a training camp to Cyprus. The team spent 9 days at the Coral Beach Hotel. It was a superb training camp for lots of different reasons, firstly, we held ourselves as positive ambassadors of Ellesmere College in and around the resort. The student-athletes rose to the occasion for punctuation and hitting the right balance between a demanding training schedule, and down time to enjoy being out of our normal Ellesmere bubble. This training camp gave us another boost of momentum as took aim at the national qualifying window, Olympic trials and a shot at international selection.

#### International Success

During the season we had 2 international selections, James from Senior Performance was selected by Swim Wales to race in Geneva, Switzerland. In his 2nd Welsh call up in as many years, James took the opportunity with both hands. Travelling out with the Welsh Squad near the end of January, this competition gave vital exposure to international level competitors and set James up for a positive long course (50m pool) season.

## Shropshire ASA County Championships 2025 Programme

Oscar was selected as part of the GB European Junior team. Selections were taken from results at Olympic Trials in April 2024 (see below for results). The European Junior Championships took place in Vilnius, Lithuania during early July. Oscar settled in with the team over the first couple of days as his races were not scheduled until the middle of the competition. He raced in 2 individual races, first up was the 200 Backstroke on Day 3 of the competition, he finished in the top 16 in Europe to qualify for the semi-finals. Later that same day, Oscar stepped up again and finished in the top 8 across a tough field to qualify for the following evenings final. On the morning of day 4, he came 20th overall in the 400 Individual Medley, matching his personal best time. During the evening of Day 4, Oscar took to the blocks for the final of the 200 Backstroke, adjusting his race tactics he held his own amongst the best in the continent and battled to a well-earned 8th place finish.

International selection and success are a staple here at the ECSA. Developing student- athletes achieve their dreams and aspirations both in and out of the pool.  
Excellent racing by both James and Oscar.

### Olympic Trials April 2024

6 ECSA members made the journey to the capital city of London for the Olympic Trials 2024. The competition ran from 2nd-7th April 2024.

It was certainly an occasion where our ECSA representatives were able to step up and produce within the arena environment. It was also an opportunity to perform to a major live and TV audience, one that our student-athletes relished and looked forward to.

- Open 400 Freestyle
  - Jake 4:07.20 PB (14th Junior)
  - James 4:06.11 (13th Junior)

- Female 200 Breaststroke
- Anna 2:35.56 PB 3rd (17 years)

### ➤ Home Nations Championships

Following on from superb results at the British Summer Championships, we continued the momentum going at English, Scottish and Welsh Summer Nationals. Across the 3 competitions a total of 17 medals were won (5 Gold, 6 Silver, 6 Bronze). A great end to another top-quality season at Ellesmere College Swimming Academy.

## Goodluck Ellesmerians

As with any season, the curtain comes down on those finishing their education at Ellesmere College. This season, we say goodbye and good luck to the following Ellesmerians:

- Oscar
- Bea
- Emily
- Lucinda
- Fin

## Head Coach Comment

The last 12 months has proved to be a great success. From our National Pathway selections, to our first international swim camp, and a European Junior Finalist within our ranks, our student athletes have excelled and matured over the last 12 months. The results speak for themselves, with ECSA boasting Summer National Qualifiers and Medallists, across all three squads for the second year running. This is a testament to the consistency and dedication of our student-athletes, alongside within the College, that allows student athletes to manage sporting and academic studies holistically. As always at this time of year, the Coaching Team and I would like to personally wish the Ellesmerian class of 2023/24, good luck in their future, we look forward to seeing you all further progress in the pool and will see you on deck soon. We now move into the 2024/25 season with our continued vision to be the leading independent school programme in the country.

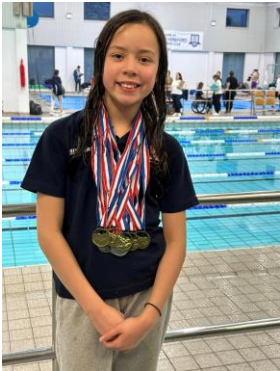

# Shropshire ASA County Championships 2025 Programme

## Ludlow

Ludlow Swimming Club has had a tough year financially, struggling for most of the year to stay operating. The club has managed to increase its membership and with a dedicated group of volunteers are working hard to make 2025 more financially stable.

Swimmers from Ludlow had success in the pool, sending swimmers to The Counties, Hereford Bullseye, Hereford Applefest, Coventry, Chase Roebuck, Mappa Mundi events, winning medals and setting personal bests at many of the meetings. At the Regionals Isobelle Robson-Lee competed at the 100m Backstroke and we've also had the highest number of members since covid achieving County times.

Through the year we've all enjoyed watching Ollie Morgan's career take off and his visits to the club to support our swimmers. In 2025 we are planning a Swim with the Stars event with Ollie Morgan.

In 2025, hopefully we can increase our number of coaches, allowing us to increase our membership. We are also working hard on increasing the number of poolside volunteers we have with the aim of putting on a Gala in November.

# Shropshire ASA County Championships 2025 Programme

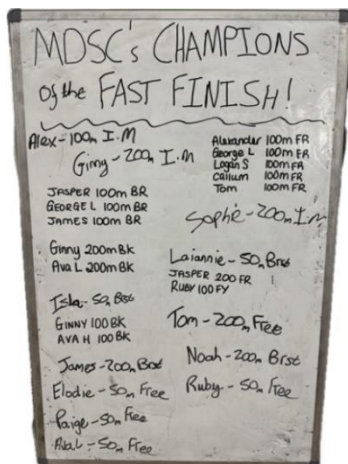

## Market Drayton

At Market Drayton Swimming Club, we aim to continuously challenge our coaching pedagogy, not only to grow, but to tailor our practices to suit those in our current swim squad. To achieve this, we strive to fashion strong interpersonal coaching relationships with our swimmers, which has been our primary focus throughout 2024. Communication and understanding were at the forefront of our thinking as we implemented new training zones, each with their own assigned heart rate and colour chart, ensuring the swimmers gained a deeper understanding of the complexity of endurance training through a swimmer friendly approach.

Zone	Description	Colour	HR
REC	Warm-down / recovery.	Yellow	<20
REC+	Technique. Smooth.	Orange	20-23
EN1	Aerobic low/moderate.	White	21-24
EN1+	Aerobic hard. Threshold +5%	Pink	24-27
EN2	Threshold. 1,500m pace / 30-minute pace.	Red	27-29
EN2+	Threshold+. Faster than threshold.	Blue	29-30
EN3	VO2 MAX. 7% faster than threshold. HARD.	Purple	30-32
SP1/2	Anaerobic. Lactate production and lactate tolerance. Maximal speed.	Green	>32
SP3	Alactic. ATP-CP. SPRINT. 15m to 25m.	Gold	N/A

Our swimmers' mindset is highly valued by us, and this year we have introduced a "Board of Champions" at competitions. Swimmers who achieve goal processes during a race, which have been focussed upon during training, have their name make it onto the board, for everybody to see, irrespective of PB's and medals. This was well received by our squad and helped them to celebrate achievements which may otherwise go unnoticed.

We have endeavoured to instil a strong work ethic into our athletes this past year, where they are praised repeatedly for their effort and positive attitude but are given honest feedback where necessary to guide them to learning how to be the best version of themselves. We try to have our athletes talk through informal self-evaluation so that this is athlete led. We are pleased with how well our swimmers have responded to this, and the positivity they bring to training.

With mindset being our primary focus at MDSC across 2024, finally, we have introduced a new Instagram page to allow our athletes to be "silly" and show team spirit in our controlled, parentally approved posts. Whilst also posting training videos to celebrate their daily hard work, giving our swimmers the deserved belief that each day is worth celebrating.

# Shropshire ASA County Championships 2025 Programme

@mdswimclub

Development. MDSC had 5 swimmers attend the Shropshire County Development Programme, with more hoping to make the pathway in the new year's new selections. 1 swimmer was selected for the West Midlands Regional Development Programme, and a further 1 swimmer was selected for the West Midlands Regional Distance Development Programme.

2024 was a successful year for MDSC. We began the year with the Shropshire County Championships seeing 28 of our team qualify - the vast majority of our swim squad. We made 93 finals for the 50m and 100m events, and 54 Top 8 finishes in 200m+ events. 5 members of our team finished in the overall Top 3 in their age group. The West Midlands Regional Championships came in April with 6 members of our swim squad achieving qualification - across a total of 33 races. Each of our swimmers qualified for finals totalling 10 finals between them. We have attended open meets across 2024, with a barrage of PB's coming successively, whilst bringing home 359 medals from these meets across the year. And a total of 439 when including our championship medals. This tally came with over 90% of our swim squad contributing.

Now into 2025, 34 of our athletes have qualified for the County Championships. We are so proud of you all. Don't change.

All of this would not be possible without our strong support network. A huge recognition and thank you goes out to our coaching team, committee, officials, and parents.

## Newport Swimming Club

2024 has seen a period of growth for our club, we have successfully held an open sessions that were very well attended. The club is now at the point where our development lanes are so full we have introduced a waiting list.

We had a successful County Champs with our swimmers earning a total of 131 Pb's, 38 club records, 75 race finals & 4 in the top 3 overall winners. Following on from this we had swimmers qualify for West Midlands Regional Championships. Throughout the year we have participated in numerous open meets across West Midlands and into Wales. Broadening the area where we compete was well received by the swimmers who enjoyed competing against new clubs. In all open meets our swimmers have represented the club well, supporting each other and most importantly having fun. We went up a division in the Diddy's League giving our junior members (& their families) the opportunity to have exposure to the competitive side of swimming, with all the noise and fun that goes with it.

We combined our club champs once more with other clubs allowing us all to share our volunteers & officials and provide a greater level of competition for our swimmers. I think all would agree the coaches race under the control of the swimmers was once again the highlight of the weekend.

Newport had swimmers selected to represent Shropshire in the Inter County Team Championships in Sheffield, swimmers raced hard and achieved excellent times, and, more importantly, got to swim in face paint! Special mention must be made to James for being selected as Team Captain & for being a great sport dressing up as Capitan Webb for the opening parade.

Our Masters lane on a Monday & Wednesday evenings are being well used. We have had Masters swim locally, for Shropshire at the Inter-county event and even at the National Masters Champs in Sheffield.

Newport have four of our junior swimmers selected to participate in the Shropshire Development Programme along with a skills coach & team manager. We are very proud of our swimmers, as a group they work hard at training and represent the club at all levels of competitions – the noticeboard is once again full with photos of lots of happy swimmers with their medals.

## Shropshire ASA County Championships 2025 Programme

We have also had fun outside the pool – having a day trip at Alderford in the Summer and more recently a very well attended night out bowling, giving the club a real family feel.

We continue to recruit new volunteers from our parents & swimmers – we have a new batch of marshalls, time keepers & trainee J1 and two new L1 Coaches. Our volunteers make an invaluable, and much appreciated, contribution to our sport and club and we are very grateful for your support.

I would like to take this opportunity to thank all those giving their time into the running of the club from pool helpers, coaches, timekeepers, admin and parents who go above and beyond, we have a great team who work with great enthusiasm and along with our swimmers this combined help to make Newport a great club to swim for.

# Shropshire ASA County Championships 2025 Programme

## Northgate

Northgate, founded in 1977, is a competitive swimming club affiliated to Swim England and based in Bridgnorth and Much Wenlock. The club has more than 150 members swimming each week (a number which is rising monthly) in five different squads, all supported by a volunteer team of highly committed coaches and pool side helpers. The club caters for a wide range of abilities and supports swimmers from ages as young as four to masters level.

2024 was a brilliant year, with several notable successes for Northgate. The club attended numerous galas, varying from level three competitions, regional short course championships to level one long course meets. They also hosted a Wenlock Olympians and Annual Championship event. Though it is difficult to pick out one highlight, the younger swimmers (see picture) winning their league in the Nuneaton Competition, and reaching the final for the first time in the club's history, will live long in the memory. A very respectable third place finish was obtained in the final, with the boy's team performing particularly strongly in the relay events, highlighting the increasing numbers of excellent swimmers Northgate is developing. A packed out end of year awards evening was another indicator of the growing strength of the club.

Every entrant set a new personal best in the 2024 event, which will be their collective target again for 2025! At last year's County Championship, Northgate's 37 swimmers finished the competition with 34 gold, 30 silver and 36 bronze medals, with 215 personal bests set by the end of final race! Five club members picked up individual awards and are pictured. Emily Gurr and Daisy Berry picked up 'top girl' awards for their age categories, whilst Martha Gibbard, Holly Morris and Dewi Arch were placed second overall in their groups. Martha Gibbard broke the Northgate record for a 13 year old girl for 50m Backstroke, whilst Alfie Berry is now the proud owner of the 50m Breaststroke club record for this age. 2025 sees a record number of entries for the club, with 52 swimmers qualifying for 403 events, which is over a 40% increase when compared to last year.

2025 will also be just as busy outside of the pool. As a charity, Northgate is committed to fundraising activities with a recent example being a recent Santa Sleigh pull, where parents and swimmers accompanied Father Christmas around the streets of Bridgnorth, spreading festive cheer and collecting donations for the club. The number of volunteers to support important club functions is steadily increasing, with an associated commitment from helpers to gain qualifications to benefit the running of the club.

Team Northgate is looking forward to another great year of swimming in 2025!

## Oswestry Otters

During 2024 Oswestry Otters have continued to go from strength-to-strength; building on our growth from last season and benefitting from the introduction of our own small learn to swim scheme.

Of the current club members, 55 have qualified for the Shropshire County Championships in 2025 – maintaining the numbers from 2024. Otters were very proud to have 6 swimmers selected for the Shropshire 2022/23 National Inter-County Team Championships, with our Head Coach, Nicola Bainbridge, being selected as the County Coach, and Hannah Das as Team Manager.

Throughout the year we have continued to place swimmers on a number of Pathway Camps;

- Midlands Para Camps: Helen Thompson, Lizzie Allen, Dylan Hughes, Dylan Williams and Akaash Das, plus Otters Head Coach, Nicola Bainbridge on the Coaching staff and James Bainbridge as Team Manager.
- Regional Pathway: Nicola Bainbridge, Lead Coach on Regional Distance Development Programme and Skills Coach on Regional Development Programme.
- National Youth Pathway: Akaash Das.

We have once again focused heavily on the development of our teaching/coaching team.

Including a project supported and funded by the Institute of Swimming, which enabled our four S14 para athletes from Derwen College to gain the Swim England Assistant Coach Certificate.

The four athletes are: Helen Thompson, Lizzie Allen, Dylan Hughes and Dylan Williams.

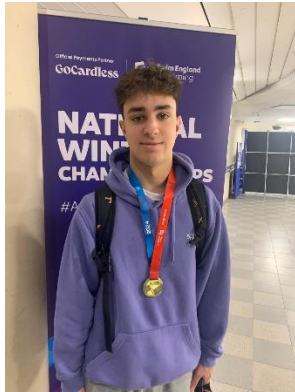

# Shropshire ASA County Championships 2025 Programme

As well as these pathway appearances we had various swimmers achieve invites to the summer national events;

- British Championships: Akaash Das
- British Summer Championships: Akaash Das
- Swim England Summer Meet: Akaash Das
- Swim England National Open Water Championships: Amy Downes, Isaac Pealin.
- Swim Wales Summer Meet: Saskia Lockley, Ella Thrussell, Lexi Roberts, Lizzie Hardy, Isaac Pealin, Carys Lewis and Ella Banks
- Swim England Winter Nationals: Akaash Das

We are proud that our Head Coach Nicola Bainbridge is once again Shropshire Coach for the Intercounty Championships, County Development Coach and Open Water Coach for 2025.

In addition, at the recent Swim England Awards ceremony in Birmingham, Nicola won the 'Educator of the Year' award for her delivery of teaching and coaching qualifications.

Away from the pool our amazing team of volunteers & supporters have raised vital funds that have allowed us to purchase a range of equipment for swimmers to use in training.

## Shropshire ASA County Championships 2025 Programme

Having enjoyed participating in the Arena League (North West) for the 3rd year running, making the final for Division 2 and finishing in 6th place in the league, we now look forward to an exciting 2025, starting with a competitive County Championships, some fast swimming, and the Nuneaton Junior league later in the spring.

### Shrewsbury Amateur Swimming Club Report 2024

We began 2024 at the Shropshire County Championships in Wolverhampton. 32 Swimmers competed in 194 races which was our biggest number of swimmers taking part for 5 years. It was so nice to see so many of our older swimmers representing the club alongside our newest members making their Shropshire County debuts.

21 gold medals, 15 silver medals & 12 bronze medals were achieved along with the title of Top Girl in the 15 & 17 years and over category.

We had a number of J1 trainees continuing their training and others advancing to J2 level.

In March we travelled to Wrexham and a large number of our swimmers raced achieving 29PBs. Also, in March we had the City of Liverpool National Qualifier where a number of swimmers raced to gain Regional Qualifying times.

In April we made a return visit to Wrexham for another successful weekend of racing with lots of PBs & medals.

We launched our Club Pathway Project supported by Swim England at The Quarry for swimmers who were finishing their Learn to Swim Lessons and were keen to see what swimming for a club would be like. Coach Hannah ran the weekly programme & was joined by a fabulous group of enthusiastic young swimmers.

**CONGRATULATIONS**

## Shropshire ASA County Championships 2025 Programme

Coaches Hannah & Alex were at Sandwell to support all the swimmers who had qualified for the West Midlands Summer Regional Championships. Four swimmers returned with long course PB's and one swimmer reached the finals.

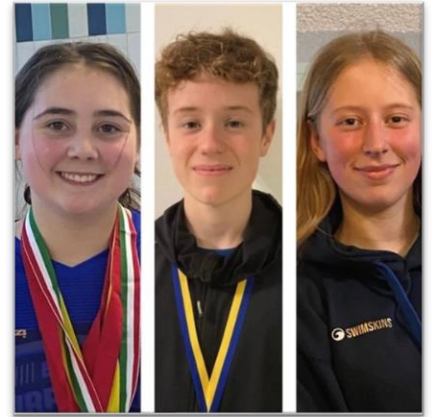

With the weather improving it was time to begin the Open Water season as two of our club swimmers took to the water in the Greater Manchester Swim – both performed brilliantly coming 2<sup>nd</sup> in their age categories.

We had a swimmer who competed at the British Junior Para Swimming Championships in Coventry and performed incredibly well.

Three swimmers were back in their wetsuits and competing in the Regional Open Water Championships all achieving bronze medals and securing their place to compete at National Level.

Our Club Pathway Project ended on a high with a mini gala and saw several of the participants join the club.

In July three swimmers competed in the Open Water National Championships with two swimming 7.5k & one swimming 3k – despite such distances they were still all able to smile for photographs afterwards!

In August we welcomed to Danny Malcolm to the coaching team. A familiar face to some of our older swimmers & long-standing members of the club and a breath of fresh air to our younger swimmers & newer committee members.

With his love of competitive swimming, Danny chose the club's first meet of the swimming season to be at the Commonwealth pool in Sandwell. Supported by Danny & Hannah & a number of club Officials & Team Managers we took a large group of swimmers all of whom raced superbly.

We hosted an informal race night in September for C & D squad swimmers which gave our youngest & newest club swimmers a great introduction to racing and also gave Stu Highfield a chance to mentor our J1s & J2s in training.

Two swimmers took their last plunge in the open water and swam the 4k Beat the Tide race in Aberdyfi.

One of our longest standing club swimmers was selected as one of the coaches for the Shropshire Development camp.

It was all hands to the pumps as we hosted our own Club Championships in October. We had an excellent team of officials all of whom were taken under the expert wings of Jean, Mandy & Stu. It was wonderful to see so many of our new swimmers competing and our older swimmers competing, cheering & even officiating over the weekend.

Also during October one of our club swimmers was in action at the Regional Para Development Meet in Rugby.

November brought the Regional West Midlands Winter Championships with swimmers competing at Sandwell.

Then we were at Nuneaton for two days of racing & a final time to gain County qualifying times. Some good swims, excellent feedback from coaches and lots of loud cheering.

## Shropshire ASA County Championships 2025 Programme

Perhaps the big news of November was the Shropshire Masters swim team which included our very own Hannah, Lou & Nick.

We ended the year with our Christmas Party & Presentation evening which was a wonderful celebration of all that had been achieved during 2024. It was also a great chance to thank everyone for volunteering their time and skills to supporting the club and ensuring our swimmers get the best opportunities.

Congratulations to all the 39 swimmers who have qualified for this year's Shropshire County Championships; it is sure to be an action packed few weekends with some wonderful swimming & a great start to 2025.

## Telford Aqua Swimming Club

2024 has been an extra special year for us at Telford Aqua SC as we celebrated our 10 year anniversary! To enjoy this special milestone, in the summer we had a celebration day at Telford Hornets Rugby Club where all our members were invited, we had bouncy castles, face painting and plenty of outdoor fun & games! Here's to another 10 years and more of #TEAMTASC!

This year we have unfortunately said goodbye but a huge thank you to our amazing head coach, Kelly Haywood, but in another breath equally welcomed our amazing new head coach, Abi Turner! Abi has taken on this role from being one of our regular coaches of our squad, to now leading our competitive swimming programme! Abi has shown eagerness and creativity already within this position, with our all new and exciting 'Skills Squad' session for our stages 4-10 up & running, focused on introducing and developing competitive skills such as starts, turns & finishes! Supporting Abi and our small army of teachers & coaches are our incredible young volunteers who are such great role models to our younger swimmers and are vital to delivering our lessons in our learn to swim programme! Thank you to you all!

Following on from our main pool, Oakengates, being closed and only reopening in September, we have had to rebuild our membership base across all 4 areas of discipline: Learn to swim, Development squad, junior/senior squad and masters. Thanks to our amazing #TASCFORCE of volunteers, we have seen our membership numbers grow throughout the club, especially across our masters section where we now have over 20 swimmers! We also continue to grow our volunteering base, with a raft of new executives and committee members including a new club chair, vice-chair and secretary!

We have made a very exciting return to league swimming this year, taking part in the Swimgainz junior league where we finished 6<sup>th</sup> out of 8 in the B final in June, competing against some very big names, with many of our swimmers taking part in their first ever galas! We have also returned to the Arena league, where we have taken small but mighty teams who have performed out of this world, with some competing against swimmers much older than them! League swimming illustrates our incredible club ethos of being one big family, and it displays our extraordinary team spirit that makes us all proud to put on our royal blue & yellow shirts!

# Shropshire ASA County Championships 2025 Programme

For the Shropshire County development camp, we had 4 swimmers chosen: Evie L, Evie W, Sebastian & Sophie! Unfortunately, both Evie's couldn't make the session, but both Sebastian & Sophie learnt some new skills and developed current ones, also learning the importance of nutrition and theory behind the sport of swimming! We also had our amazing head coach, Abi, chosen to be one of the skills coaches, where she too learnt new skills that she has brought back and included in planning of our competitive squads! Well done all!

At the age group inter-counties held in Sheffield, we had 2 of our dual members chosen to represent Shropshire, both proving why they were chosen with some excellent swims! Well done Anna & Millie! Staying on inter-counties, we had 7 of our masters chosen to represent Shropshire masters in November, where all #TEAMSHROPSHIRE smashed it! Well done to Abi, Adam, Craig, Izzy, Jess, Lewis & Matt!

We yet again teamed up with Wellington & Newport to hold a joint club championships in September, which was very successful, seeing some healthy competition amongst swimmers and a fiercely competitive coaches relay fought out! To celebrate our swimmers' successes, we had our annual presentation of awards evening, an evening full of smiles and joy!

All at Telford Aqua are excited for 2025 and what it will bring! Starting with this incredible competition, Shropshire County Championships. We couldn't be more grateful to all those who have been involved in organising this prestigious event, Thank you! Only one last thing to say... Good luck Team, go show 'em what you're made of!

#TEAMTASC

## Wellington (Telford) ASC

Shropshire County Championship 2024 finished with some exceptional swims. Yet again we continue to punch above our weight. We had 210 PB's with 126 swims in finals leading to 34 Gold, 25 Silver and 25 Bronze medals. Hugh Gemmill was top boy in his age group and Arran Douglas coming 2nd. Congratulations to James Guest and Oliver Winzor who swim with both Wellington and The Royal Wolverhampton School. It was also fabulous to see some West Midland regional times achieved yet again.

5 swimmers represented the Club at the West Midlands Long Course event, 2 swimmers representing the Club at the West Mids Short Course event, 1 swimmer competing at the West Mids Open Water winning a silver medal and qualifying for the National Open Water event. This year we have carried on from where we left off in 2023.

Success came to Macey in a number of Open water swimming events, the 2<sup>nd</sup> year winning the Cool Mile in Wales.

After being moved up to division 2 following their win of division 3 in 2023, our Diddie's Team had some great results, the biggest achievement being the team spirit generated in supporting each other through the various events and seeing the older swimmers provide support and encouragement to the younger swimmers as they join in.

Our Annual Club Champs shared with Telford Aqua and Newport was run at Wolverhampton and Wrekin College during September 2024. This is a great opportunity to give all our swimmers a chance to get a licenced times, often this is first chance for licenced times for or younger swimmers and it is lovely to see swimmers get county times from the club championships.

Again, Club Champs ended with 2 swimmers qualifying for the West Mids Short Course event. WSC had 1 swimmer selected to represent Shropshire at the National Team Event in Sheffield in October. We also had one masters swimmer compete in the Inter Counties Masters in November.

## Shropshire ASA County Championships 2025 Programme

Competitions this year have been varied with the usual ones in Wolverhampton and Stafford added to with new adventures in Hereford, Mappa Mundi and experiencing long course events at the 50m pool Sandwell. Thanks to Oswestry Otters for inviting our teaching groups to take part in their latest Sprint session, we are looking forward to the next one.

Our Gala Coordinator works hard to look for and ensure there is the right level of competition available whilst taking into account frequency and time of year.

We have been encouraged by some of our younger swimmers entering into galas this year, walking away with PB's and medals.

In November we had our annual presentation evening recognising the swimmers achievements at club champs. It is also a great opportunity to thank all of our volunteers that keep the club going.

The club continues to seek a full time Head Coach but the existing coaches and poolside volunteers will continue to do their best for our swimmers until such time. Thank you to John Griffiths who continues to be the club Interim Head Coach.

Without the volunteers' poolside and behind the scenes this club will not exist. I would like to take this opportunity to thank each and every person who has supported the club, no matter how big or small. The club has seen a large increase in the numbers of officials, thank you to Helen, Stephen, Will, Katie, Jo, Simon, Kevin and Rebecca for being starting their J1 or completing their Timekeeper qualification.

### Water Polo

Wellington Water Polo still manage to influence, both regionally and nationally, for what is considered a small club. The legacy of the influence Wellington Water Polo has had over the last number of years is impressive. Cayden Down, a ex-member, played in the 2024 European Qualifiers for the U19 Boys GB team and is one of the few GB players playing semi professional water polo in Europe (playing for Wurzburg in the Bundesliga). He also recently gained his first Senior International Cap by represented England at the EU Nations Tournament. Current and ex Wellington players were also regulars in both the British Water Polo League and British Water Polo Conference; current players Isabella Ibbs playing for City of Liverpool, Holly Clarke playing for Solihull; ex members Max Spragg and Ollie Salimbeni playing for Manchester Hawks and Ryan James playing for City of Birmingham. Indeed, Isabella has recently represented England U18s Junior Women at the EU Nations tournament and Ollie is currently in the U18s England Junior Men's Squad.

Current players, Matt Wilton, Sean Mendes, Thomas English and Dan Maher, have all represented their respective age group for both West Midlands in Inter Regional competitions and City of Birmingham in the National Age Group tournament. Matt was also part of the West Midlands Boys team that won the 2024 U16 Inter Region Tournament.

For more information on our volunteer workshops, please email [westmidland@swimming.org](mailto:westmidland@swimming.org) or [Courses & Workshops – Swim England West Midlands \(westmidlandswimming.org.uk\)](https://www.swimming.org/Courses%20and%20Workshops-Swim%20England%20West%20Midlands)

### Team Manager Module 1

The Team Manager 1 Course is aimed at those who are starting out on their volunteering journey and focuses on single day competitions or camps where there is no overnight stay. It covers all aquatic disciplines and will be delivered via a two hour webinar hosted on Zoom. Participants will be guided through the course content, be able to ask questions and get involved with the group text discussions. You must be a Swim England member and 18+ to attend.

Please see dates of workshops:
